Welcome to the Institute of Boarding (**TIOB**).

TIOB was launched in 2022 as the world's first professional association for boarding school staff.

TIOB is part of the BSA Group, a family of four other associations in the education, safeguarding and health/wellbeing sectors with more than 1,000 members in 39 countries. These include the Boarding Schools' Association, the leading association for boarding schools, with over 600 members worldwide.

TIOB's mission is to 'support excellence for professional boarding staff'. For anyone working in boarding schools, retired from a boarding role, thinking about a job in boarding, or just interested in boarding schools generally, TIOB is the dedicated association for you.

From guidance and advice to online resources, webinars, training and events, TIOB supports boarding staff anywhere in the world.

# How can I get involved in **TIOB**?

The best membership associations involve and engage members. That's why we encourage all **TIOB** members to contribute ideas, blogs, articles and content or join committees, set up sub-groups or local networks. As well as a dedicated staff team, TIOB is run by its members for its members.

To encourage engagement and involvement, we will be holding the **TIOB World Boarding Staff Day on the first Monday of March every year** which will celebrate the huge contribution made by thousands of people who work in boarding schools.

## **Recognising excellence**

As well as giving boarding staff professional recognition for the first time, TIOB will also honour the excellent service and dedication of its members. That's why we will be launching the annual **TIOB Boarding Staff Awards** which will be announced at the annual **TIOB/BSA Boarding Conference** in June each year.
